In 4:

Prepared to meet Bill in Jordan Valley

then on about to McParmit to meet with

Strike. 1 Jerry White called and said cost

is running into \$6000 541-586-2424

Richard Engman 541-586-2423

Benny Wilkinson 775-741-7361 Jg Allison 775-741-7361

Kimberly Wilkinson 775-741-2179

Kelly Woodworth 541-219-1011 Mary 541-219-0545

At McParmit we met with Brian Sullivan who

the manager of facility 9. Discussed possibility of

releasing water from Coyote holes.

Met with Stefan Stewart at Reservoir

office. Went back and met with Brian Sullivan

at his place and spoke with Mike Stearns

Phone. Met with Kimble Wilkinson, Kelly

Woodworth and I spoke on phone.

Drew back to Coyote holes and check out water

check release on way in. Checked engine not

Coyote holes was full and running over spill

estimated about 10 gal per minute. Pumps not

approximate 1 gallon per minute. Check

flow. Approximately 5 cfs running in from

dry creek. No water coming in of

a creek side. Stopped at Bennett's dropped

gear. No. 2000. Stopped at Tule.

Went home 9:30

Start Friday

Summer begins at sundown

at noon

all water situation,

Henry also left message,

about releasing water from

Sullivan left a message

means about releasing

water because of

450 acres 208 809-449

rights. 7-15 R-47 acc 29,
