

2019 121st day - 244 days follow Apr 7:30

May Day

Labor Day (Mexico)

Spent the day with Rick in McDemmitt, Steppes  
 at the Indian Reservation to try and meet with  
 Kenyan 208-670-5398 water availability

the house on 6th Ave.

the Wilson smart but he was not in. Got

instructions of how to make application

for a water right claim. We drove around the

area of St Martin Creek to try and understand

where the creek channel left Oregon into

Idaho, back in case I submitted my time

sheet and make change to pass.

Went from 4:30

2019 120th day - 245 days follow

Apr 5:30

Small pass on road from McDemmitt  
 prepared to check Ken. Doubt of fence.

Called Rick, accuracy returned his call.

Checked schore 11:30 took a picture. Still has dropped

a few inches. Ray Hole about 30% full. Took pictures

@ 11:48. Deadman @ 12:13 gauge reading 46. Took 2

pictures. Ritter Ranch @ 13:35 3.10 reading a picture

Coyote holes @ 14:08 less than 5%

Colombia @ 14:45 4.90 reading in gauge

Drove to Geneva check in. No in. Rode up

Road about 5-10% full. Rode up

channel and check to see what the channel

looked like. Holes still had water in

them but the water mark on the deeper holes

had dropped up to 3" less than

at 5:30 headed back to Gordon valley.

Stopped in Collier Hill, McDemmitt

when I got service. Biscuit station

at McDemmitt, Arrived in Gordon valley

@ 6:30

Off at 6:30
