 when Keryniece says from BLM and I discussed whether
 Fort McDowell Indian Res. boundaries were
 changed or not. She didn't know. Turns out to get
 this phone and I left a message.

We will Travis Johnson the undersecretary and
 said that he talked to tribe rep. and they
 said they didn't have anything to do with the
 extent and details out for the restoration.

Had that McDermitt 1-775-5~~53~~³³-8263 left message
 I haven't received a copy of tribe water
 report out of saint martin creek.

we drove to Golden Valley and check out Campbell
 Tuttle. There place is in a low place with
 hills on both sides. Called Bob who then left message
 called me back and said his water could be stored
 on but he wanted to sleep migrating for awhile.
