

## **MEMORANDUM**

TO: Water Resources Commission

FROM: Adam Sussman, Senior Policy Coordinator

SUBJECT: Work Session Item II, November 21, 2003  
Water Resources Commission Work Session

### **Legislative and Rulemaking Update**

Attached for the Commission's review is a summary of water-related bills enacted by the 2003 legislature. After a brief description of each bill is the address to the legislative web-page for that bill in case you are interested in more detail.

To support implementation of several new laws, the Department will be initiating a number of public rulemaking processes. A schedule of current and upcoming rulemaking is attached for the Commission's review and input.

Finally, attached for the Commission's information is a list of House and Senate Interim Committee appointments.
